“ *Debbie was my second mom. She has been a part of my life for 23 years. Anytime I needed someone she was here. She use to bring the boys over to the house and she would stay there talking to my mom for hours while us kids were playing. Every time I would see her she would grab me and hug me. I loved her so much. Momma I will always have u in my heart.*

I miss our talks. I know you are with our Father God. Thank you for watching over us. I can't believe it has been so long since I heard your voice. You are becoming a great grandma in Sept. I know you will be watching over this beautiful little girl we are welcoming into this world. I know we will meet again, but hold our memories dear until then. I miss and love you
