“ My earliest memories include Charlene and her family. I have so many fond childhood memories. Her mom and mine were sisters and very close. So, our families were very close. I also have lots of great memories as adults. I stayed with her and her 3 little girls in my early twenties quite a few nights. She & I made lots of trips to Jefferson City. We could be gone all day and never spend a dime. But we had a blast. She was one of the funniest, quickest people I know. I remember pulling off to the side of the road once because I was laughing so hard. Her girls, their families and her sisters and brother and their families are in my prayers and in my heart. She will always be in my heart. We had a lot of good times. I will miss her.
