*We did not Dennis, but we know his Dad, Jerry and know how very, very much Dennis was loved. Our hearts go out to the family and all those who obviously loved him so much. There are no words to ease this pain but may it help some little bit to know that others are keeping you near in thoughts and prayers.*

“ I didn't know Dennis but I know 3 girls very well that will miss him dearly and are hurting now because of the loss of him..To his family my deepest condolences...to his little girl, I grieve for you because you will not get to grow up with him, and for Nicole, Khristina and Jacque I wish I could make the pain go away but only God and time can help with that..remember him in all the wonderful memories and talk of him often, especially to his baby girl, so she will always have those memories in her heart. Take one day at a time. I love you all so very much..know I'm thinking of you in this difficult time. MRS. MARY AND MR. JIM

“ *Dennis I love you man I don't know where to start with a memory. Days you'd be down at the house, thanksgiving dinner, Christmas, just anything. You weren't just my cousin you were my brother. You were a father, a friend, and you touched everyone's heart that you ever came in contact with. It's hard seeing you leave so soon. It's hard not being able to know the things we will never get to ask. It's hard knowing we can't come in contact with you on earth anymore. Not being able to come talk to you. It sucks and not a single person can believe that this is real. You might be gone from earth but you'll never leave my heart. Tell grandma I love her. Give her a hug and a kiss for me and know that you'll never be forgotten. I'll see you when my day comes but till then, I love you and I miss you.*
