“ *I have known Donna since 1963 when we were juniors in high school. (I moved into her school.) I have always loved her.....her devotion to her family, her unfailing work ethic, her incredible smile and wonderful sense of humor. She truly lived her life to the fullest! Although I had not seen her since our last class reunion, I always looked forward to the next time! We will all be missing her! My love and utmost sympathy to her family. She loved you without reserve!*
