“ I remember the fun times we had at "the Pad". All of you guys riding your motorcycles around Ivy Bend. I have very fond memories of my time spent with my brothers at the lake. I am so sorry for your loss and will keep you in my thoughts.

“ I remember Donnie when we were kids and our folks would get together or we would visit Grandpa Capps in Ivy Bend. Then we all went our separate ways as we became adults. I always kept up with Donnie through Lula and Mom visiting, and always wished the best for him.

*When Mom became ill last winter and had to enter the nursing home for a short stay for rehabilitation, Donnie was there to greet her and was so happy to show his aunt around and "take care of her". They enjoyed meals together, and she was so pleased that he would check in on her often.*

*Although I didn't know Donnie well, I feel a great sense of sadness that his time here is over, although I know he's in a much better place now. The love shown for him by his family is awe inspiring. The stories written by Linda will always be treasured in our family. God bless all of you and know that Donnie will always have a special place on our hearts.*

*Donnie, was a special person in my life...not just a cousin..kind of like my little brother...at one point in life he lived with John and I..Rode his motorcycle everywhere and he and John did some crazy stuff, but had so much fun doing it...My heart has been sad with his passing, but trying to imagine what he and John are up to now....knowing they are together fills me with joy...Love you Donnie...*

*This is a great picture of Donnie. I'm glad that he looks amused. Gone to the big party house in the sky. I don't know if there are creeks in heaven, but if so Donnie will find it. RIP old friend. See ya later !*

“ Debby Burris and family would like to say how greatly we loved Donny and will miss him although we didn't see him much. They broke the mold with Donny...and our memories are 'like gold.' Donny was the true 'lover' of all things natural and wild and wished to live his life 'independently.' No one knows what life holds for us but Donny lived the life he had GREATLY and with tremendous ZEST for it. Blessings to the Family for your great loss
