“ *Dot Bye... WOW... what a woman! Professional, strong, loving, determined, caring, nurturing... a true gem. I first met Dot when she supported our Remanco System at Sofitel O'Hare. When she moved to micros she took Sue Hedlund with her and a year later they both sucked me in to the micros family. What a blessing she was to us all!*

“ I met Dot in June of 1999 when she came into HJs Elk Grove Village, Illinois to teach us our new Micros 2700 POS.. I took to her instantly and absorbed everything she taught me... I transferred to Columbia Mo less than a year later and I remember her stopping by the restaurant on her way to see her son.. Lord she gave the best hugs!!

She stayed in Contact with me thru out the years and in 2004 she convinced me to apply at Micros..and I had the privilege of working with her for 6 years... When I moved back to Missouri she was so happy because she planned to retire here not far from me..

We were planning on getting together for coffee when Covid-19 hit and shut everything down...

The coulda/shoulda/woulda's have been driving me crazy since I heard the news of her passing.. I should of just stopped in the last time I drove past her house instead of hoping she heard my honk..

I miss you Dot!!

Rest In Peace!!

Love Always,

Jewls
