“ Dorothy was my friend for many years...we met at the "coffee club" (in the 1990's) that members of St. Anthony's who attended morning mass would go to afterwards at McDonalds...Mabel, Dorothy, and I would meet up after mass along with whoever else would show up (up to 15 people sometimes!) and have an hour or so of great conversation. We learned lots from each other and made lifelong friends among the group, most of whom have passed away now. I had most recently been to see Dorothy at the nursing home and got to give her a hug and kiss as recently as June 6th when she was in good spirits and seemed well. My sympathies to all her family. “ We will all miss Dorothy!!!When Dorothy first moved to Lakeside Meadows she was the roommate of Lena Stull, our family member who also resides there. Things didn't work out so Dorothy got moved to a different room. Dorothy and Lena sat at the same dining room table so we would greet her there. Dorothy sat at the table facing the window. When we would be coming in the door from the parking lot at meal time...Dorothy would say Lena..your family is coming in to see you!!!We could never sneak in because Dorothy would "let the cat of the bag." One time we had brought pizza in to eat with Lena. We went and ask Dorothy if she would like some pizza and her response was...Oh please!!! We shared some pizza with her :) One time shortly after Dorothy had moved in, Dorothy invited Lena to go with her to "Happy Hour" at the nursing home. We asked how did it go? Dorothy said, we had all the snacks and sweets we could eat. Lena said, GREAT!!! had a diet coke!! (Lena enjoyed ALL the food even though she is diabetic and never drank anything stronger that we know of :) It was hard to see Dorothy struggle in recent weeks with her health. We loved her honesty, sincere heart, and kindness. May the Lord bless the family with peace and comfort in knowing this wonderful lady! Our deepest sympathy goes out to each of you!

The Stull Family,

Lena, Rob, Teresa and Lexie
