“ *Out of the sweet times in my childhood, many were spent with this darling lady in her big house with my aunt's and uncles, all of which I adored.*

I started my period in that house, listened to my Uncle George sing and play guitar in the evenings and put jigsaw puzzles together upstairs with my Uncle Bob. Simple times.

Every summer I spent in Versailles I can remember pulling away as they stood outside and everytime the tears would flow as I would miss them so very much.

I don't know exactly what happens when we pass but I sure hope those we love stay around us or somehow know what we wanted, needed to say one last time.

Thank you Aunt Dorothy for your kindness, strength, laughter and love to me always. You'll truly be missed. I've loved you always.

“ *Aunt Dorothy was my great aunt. I have such fond memories of spending time with the whole family - her, my Uncle George, Martha, Uncle Bob and Aunt Clara - at their house in Versailles. Aunt Dorothy was one of the sweetest, most loving and warm people I've ever met. I'll remember her forever with great love and gratitude.*
