“ I remember this rotten old bitch refusing to cook for me, do my laundry,pressuring my dad to throw me out, then trying to get me thrown out of my grandmothers,taking my dads dog to the pound when he died, cutting the elctrical cords when she left my grandmothers house when she left after living there rent free for 20 yrs,harassing my grandmother for \$ after my dad died, introducing us to her fucked-up pedophile friends the Ankers ,etc,etc. I sincerely hope they have a place worse than hell for her to rot in.
