“ During those years when we were all growing up together, myself, my late Brother Mel, Doug, my Sister Margie and Ginger would all enjoy spending time together on Holidays. My Mom Alberta and my Aunt Beverly were both wonderful cooks so we would all come together to share a great meal at either one of our Family homes. Afterwards Brother Mel, Doug, Margie, Ginger and myself would retreat to a quiet part of the house while our parents would talk about all of us, vacations, retiring and Grandma & Grandpa Blanc. We were all still in school so our conversations were about our neighborhood friends, music, dances that were popular at that time in St. Louis County and Granite and whatever else was going on in our young lives. Besides being Cousins, we were Friends and I will always cherish those wonderful times. My Sympathy goes out to Ginger, Charlie and their Family at this very difficult time. You will all be in my thoughts and prayers.
