“ I went to church with the Joy's and the Huff's and I thought alot about them. My prayers are with the whole family at this time.

“ I shall never forget the Summer of 1964 when your father, Greg, extended a favor to my father, the late Ward Kerr. Dad had ridden a bus to South Carolina, when he arrived back in Jefferson City, he decided to hitchhike back to Versailles. Your father recognized him standing beside the highway, stopped his truck and gave him a ride back to Versailles. As a small boy I can remember when your grandfather was State Representative from Morgan County. Bob, I remember your working for the Rock Island Railroad and the Cottonbelt Railroad and in the end reaching a high level in railroad management.
