“ Earl was the Cary Grant of the Morgan Co. Library! My entire tenure with library he was charming! He told us each trip how he adored his wife, he was complimentary to everyone, he was a gentleman always, he was grateful about the simplest actions (be it our job), he was a joy always. He left you feeling better about yourself, the day, your life.

God bless you Earl. You were our gift!!! No date due again. Ever. (Not that YOU ever truly had a date due—or needed one) Sorely missed.
