“ *Worked with Ed back in the 60's and 70's. I called him "Fast Eddie", he called me "Slick". He had a great smile, which always made my day better. Great family man to a wonderful family. Five o'clock on Friday -- heading for the lake. My condolences to Lois, Beth and Eddie Ray, and to the extended family. Mike McNulty*

“ *I also knew Ed from our time at IBM together in Jefferson City. I bought my very first home on Schott Road from Ed and Lois. Ed was always quick with a laugh and a story. He will be missed.*

“ I worked in the IBM Jefferson City branch office from 1962-1972. I loved working with Ed. He was also such a dedicated and professional customer engineer. If one of my customers had a problem, I always want Ed to work on it because I knew it would be fixed right. In those days we had family picnics and a office softball team, I have fond memories of Ed and his family at these events.
