“ *Dear Elaine's family!*

Sending you my sincere condolences and deepest sympathy.

Elaine was a truly genuine and empathic person with humour and passion. I still clearly remember her from my first visit to the U S - mid fifties - as always cheerful, energetic and full of joy of living.

Descended from Sweden, she always updated us concerning family events and also sending highly enjoyable letters she seemed to have time for everyone.

She will always stay with me and her light will shine long and brightly.

“ Dear Family & friends of Elaine,
Elaine and I were always laughing about something. She had only known me for a short time when she named me the crazy Italian. She came to most of our family functions and was considered family. We loved her so very much. I remember the last time we saw her at the hospital, she was sitting in the sunlight with Chris by her and Trigger was jumping on her lap. This is the way we will remember Elaine. She was a beautiful ray of sunshine and a beautiful shining light for all of us
Dale & Elaine also shared many conversations about many different topics. They served on the board at our church for a time. Elaine also told Dale how she loved to work with him serving the church she loved so much. We will miss our dear friend.

“ Dear Chris and Stacey!
You have lost your mother and I my cousin Elaine. We meet each other first time when Wally and Elaine were in Sweden. I remember when we were in Sund and she was in the church where his father and her grandmother have been. That was great for her. My husband Alf and I visited Wally and Elaine in Stanton and we have a very good time there.
We will always hold her in our hearts and we remember all joy she give us

“ Dear Cousins Chris and Stacey, Your mother, Aunt Elaine, was an abundantly special woman. The last two significant memories I have of her are (1) her kind, pure, and open support of my relationship with and marriage to "my" Chris -- a very Elainesque expression; and (2) her telling us of her intentions group in support of the possibilities of a President Obama. I regret that Chris and I won't have an opportunity to accept your Mom's invitation to come visit for a long weekend in the Ozarks. That would have been a memorable weekend! We are thinking about you and will always celebrate Aunt Elaine's life.

“ Chris and Stacey, I remember Elaine and I carrying our lit candles home after attending a beautiful Christmas Eve service. It was snowing but we kept those candles burning. She was very supportive and loving to all. She and I could giggle for hours. All it took was a word or look from her. We are all blessed to have had her in our lives.

“ Dear Chris & Stacey,
Words can not express the great sorrow everyone is feeling for you. Your Mother was a deeply caring and giving lady. She touched us all in a very special way. She taught me compassion for others. To Cindy she was a "Big Sister", one who Cindy could confide in and laugh with.
She was my teacher and our dear friend.
We will always hold her in our hearts and treasure the memories.
She is making Heaven a much better place by being there.
God Bless you both.
