“ On behalf of all of us guys that have worked with him in the cable biz, he was a one of a kind soul that did everything in his power to make you laugh while trying to shock you. Only his kind heart and willingness to help anyone, whether you needed someone to talk to or borrow a buck from for a soda on your way to your first job, he was there EVERY TIME!!!! You will be missed my friend, and always remembered as a great guy that loved his wife and daughter and wasn't shy to cut you off to tell you that. We will meet again my friend, and share a joke, a smoke, and yell out at the top of our lungs "M@!%\*R F#@÷!R!!!!"

*May The Four Winds Blow You Home Again.*

“ Prayers go out to his family and freinds. I knew Elijah from "the boys" and worked with him for a while. I will miss his smile and always playing around making others smile.
