“ Dear grandma,
It's been three years since you joined Grandpa behind those pearly gates. A lot has happened in that time frame. I got married to an amazing woman who has an ornery daughter (you'd almost think she was a Barnes). On top of gaining a great granddaughter; you have a great grandson that is a Barnes boy to the letter. There isn't a day that goes by that i dont miss you and our conversations. I will admit, though, that this day is always the hardest for me.
I know that you two are up there looking over us, and I'm so thankful for that. It doesn't change the fact that I wish you could be down here to watch these kiddos grow up and get to share the stories that you shared with me.
I hope im making you proud. I miss you, and i love you, Grandma. I look forward to seeing you again one day.
