“ *My heart is broken! He was my first boyfriend! We were only 12 but we were best friends. He and I were like peas and carrots! He always made me laugh and was there when I would cry. He called me a baby when I'd cry but he was there. I've even seen him cry. We always said life pulls you apart so we said when we were seniors we would reconnect. And we did about 2 months ago. But just didn't have time to get together. How ever we spent several hours on the phone talk that day. It was so awesome to hear him call me sweetie pie again. That was his pet name for me when we were young. I called him Dapper Man. I'm so happy today that we had that time on the phone. Life is short but he had a way to make me feel like I would live forever. So dear friend I will see you again just you wait and see. I know you'll be waiting on me and the rest of our friends and family. Rip Sir!! You are and always will be missed.*
