She loved her many adventures in traveling to California to visit her sister, Melva and husband, Leroy Hibdon and spoke of those travels often. She also enjoyed flowers and birds and spent much of her later years looking at both.

She loved her family and friends and treasured each and every one of them.

“*Frieda was a huge blessing to my family every trip to Campbell's! She made my kids feel extra special every trip. They asked about her every trip before arrival, Her love and light for everyone was obvious. She shared her love about her family esp Laney, and always positive and loving to every person who was blessed to be served by her. 🌸💖*
