“ Dear God, I lift my family who is mourning the loss of a loved one. I pray that You bring them comfort amidst this painful event. We hold on to Your promise of walking with us through the darkest valleys of our lives, and I know we are not alone, especially during this difficult time. With this condolence prayer, I pray that my family's heart is soothed as they find strength in You. Please watch over them and take away their anguish, so that they may see Your light at the end of the tunnel. I pray that they do not lose hope as they grieve, for You have great plans for them amidst all this pain. Protect their heart and mind with Your peace, Lord. In Jesus' name, Amen. You will be missed my sweet cousin.

“ Gary may the road rise to meet you. May the wind be at your back. May the sun shine warm on your face. Always remember to forget the thing that made you sad. But never forget the things that made you glad. You loved life and made everyone laugh. I love our time together with joy. I will miss you as the Gary I once knew. I will hold you in my heart for as long as I live. May God hold you in his arms. Until we meet again
