“ Aunt Geneva will be missed. I enjoyed taking my father to see Aunt Geneva every year. We enjoyed our visits. Aunt Geneva was quite the cook. She always wanted to fix you something to eat and it wasn't just a sandwich either. It was always a full blown meal. I would also pump her for family information. She enjoyed talking about her brothers and sisters back on the old homestead. I just saw her this past Saturday, even though she didn't know me, we had a good visit. When I asked her if she remembered the Buffalo River, she got a big smile and said, "Lots of fun". Aunt Geneva will you be greatly missed.
