Sorry for the loss of a very special man. We are going to miss the smile and great listener of all the historical events in the cousins and family history as we stand around talking about childhood memories, or during a competitive horseshoe challenge at some of those earlier family reunions.

We are so sorry that we can not be there at the memorial service to celebrate George's life. We will be praying for the family for the Holy Spirits comfort. It is a great comfort for us, to know that we will see George again in Heaven. Our love and prayers.

We are so sorry for your loss but so glad for heaven's gain and one day we will all be united! Just think of the reunions that are going on with Aunt Lena and Uncle Ural and all the others! I always like to think on this as I know one day there will be no more separations from those who love and live for Him! All will miss George but remember ---ONE DAY NO MORE SEPARATION!!! love and prayers for all.
