My dad was the greatest man who ever lived. He spent his life making sure that his wife and children were happy and well taken care of. And he succeeded wonderfully. We were all very blessed to have had him as long as we did and have the beautiful memories he gave us to get us through the rest of our lives without him. I love you always, dad, and will miss you til the day we are reunited again.

*God looked around his garden
and found an empty space
Then he looked down upon this earth
and saw your tired face
He put his arms around you
and lifted you to rest
Gods garden must be beautiful
He only takes the best*

Rest In Peace
