“ I miss you so much. I Think of you everyday a few times a day. I wish I could talk to you one more time. Did we make the right decision? Are you at peace? My heart is broken. You should be here with us this is so unfair. Dad misses you so much please go to him in some way to give him peace, I keep hoping you will come to me in some way. I want to thank you for all the talks we had and the love you gave me. Someday big brother I'll be bouncing off those clouds jumping over rainbows with you. Until we meet again. I love you and miss you.

“ Today I got your ashes and your shirts, I have your phone and watch along with your red hearts that light up next to me. I think of you every day. There isn't a day that goes by that I dont think of you. It doesn't feel like Christmas because I just can't get into this year. Life isn't the same without you and I still can't believe your gone. I keep asking why? How did this happen? I'm angry at the world its not fair. I miss you so much Tony

“ My brother Tony was a fun loving light hearted guy with a huge ❤️ heart. I miss him everyday. I miss our talks and laughter together. I miss his voice so much. I grew up loving the same music as my brother and all the same crazy card games and dominoes we would play. He wasn't just my brother he was also my best friend. My life will never be the same without him. I love you Tony Thank you for being a great big brother.
