“ *Brenda, Pam contacted us. It's been years since I've had your address. Sorry that we haven't communicated more. I have lots of wonderful memories of the family at Carolyn's house in Wichita at Christmastime. So many people, lots of confusion, and everyone laughing. Lots of presents. Good food.*

As you probably know Bob is very sick, but he'd want to tell you how sorry he is for your loss. You are in our thoughts and prayers.
