“ Marie, We are so very sorry and shocked for your loss. I have always had a special place in my heart for both you and Skuzz. I will never forget those special friday afternoon visits to the shop to see how you guys were doing. you both made quite a unique team working together turning out so many beautiful classic cars and trucks. That skill and trust is what brought me to you years ago to restore my Chevelle. Skuzz will always be remembered. Thanks again for all the great memories and great times together.

May God bless and keep you in his care,

“ Marie, Marie, Marie, I am so sorry to read this. Absolutely heart breaking, I can hardly type this. The day you guys left Topeka, I was afraid that I would never see you two again. The day is here that I always dreaded. Skuzz was great, a great friend. I am only saddened that I did not do more to stay closer to you guys in the last 40 years. I don't know what else to say, miss you and love you, many fond memories of all our times together will remain at the heart of my life. Gary Tollefson

“ Dear Morrison Family,

I drove down Winfield street last week past our old house and your old house. I thought about you and the fun we had at the lake and around the neighborhood. Howard and i were classmates, neighbors and friends. Thanks for teaching me to water ski.

May our merciful and loving GOD bless you.
