“ *"A heart of gold" is the perfect description for Jimmy. He had a unique ability to connect with anyone on their level and become their friend for life. I remember baby-sitting him and sister Ginger in Alaska. Years later, boat rides on Lake Mohave. He invited us numerous times for weekends at the hotels. Jimmy will always be remembered for his kindness and thoughtfulness. We will miss him greatly.
Rest in peace, Jimmy.

“ *In High School I hung out with Jimmy and Russell Bowers on several occasions. We used to like to go to the Skating Rink in Laurie. We also talked about trials and tribulations of farming life. Years later my sister began dating Jimmys younger brother John and I laughingly told her she couldn't date an Applebury. Last year Jimmy tracked me down on Facebook and insisted my husband and I come visit him in Nevada which we did. Jimmy's personality was pretty much as I remember from our younger days. I am glad I had this opportunity to see him one last time. I considered him family since his brother and my sister have been married for over 20 years. Rest In Peace Jimmy. You were always a true friend. I will miss you! Robin Beeman Carpenter.*
