“ Jim Francis changed my life! We met over 30 years ago when I married his youngest daughter. I was a city boy with no clue what it took to farm, raise cattle or even live in this part of the country and most important raising a family. The lessons I learned from him changed my life forever. His patience with my stupidity was loving and firm! He had no problem letting me know when I was wrong, but with the heart of Christ his advice was welcomed and honored. He was truly my second Dad! I love this man and will always be grateful for his friendship.

“ *Many good memories of this man throughout my childhood. Mom and Dad, Jim and dean playing cards. My grandma was talking today of dancing the jitterbug with Jim at my wedding almost 24 years ago. He will be sadly missed by many. I am sorry for your loss, god bless the Francis family.*

“ *The Francis family will always be special to me. Jim, like his mother, had a very strong work ethic. His father, Roy, was a delight to know because of his sense of calm and sense of humor. May memories of Jim and our Lord comfort Jim's family during this time.*
