“ *Jack and I have known each other since the 7th grade, but really didn't get to know each other till after high school. I went in the Navy and Jack the Marines after we got out we have been bear hunting up north , fishing in Texas and most of hunting on the Gregg's farms for 30 years. He had been a wonderful friend and I will truly miss him. He is the only person I know that can drink a pot of coffee when it is 90 degrees in august.*

Thanks Jack for being a great friend!! Your buddy Fred Mueller
