“ I am sorry for your loss. I went to high school with James although we all referred to him by a nickname. He always had a smile.

“ Jim was an awesome guy. He prepared a shrimp boil for my birthday. He is always cooking something that we get to enjoy at the office. He prepared a brisket for our company Christmas dinner that was the best I've had. He did this several times! He never ask for money, he is just an extraordinary guy! We will greatly miss him. He for sure put more good in this world. My heart and prayers go to Trudy and their family.
