

Jamie Marie Reinhold

December 30, 1969 - August 11, 2013

Jamie Marie (Culbertson) Reinhold, age 43, of Versailles, passed away unexpectedly at St. Mary's Health Center in Jefferson City on Sunday, August 11, 2013.

On September 26, 1997, in St. Louis, she was united in marriage to Danny Reinhold, who survives the home.

She will always be remembered for her beautiful, wonderful smile, her generous and loving spirit, her heart of gold and her need to rescue so many animals. Through her countless good deeds, she touched so many lives. She was very passionate about living on the farm, which she referred to as "God's Country". Her endless love and care for all of the animals including dogs, cats, horses, cows, bunnies and many others was truly amazing. She enjoyed being outdoors, especially on a float trip or camping.

“*Jamie, you were such a wonderful sister!! I feel so blessed that you were in my life for 43 years!! I have always adored you and thought the world of you. YOU were also a wonderful Aunt, Daughter, Mom, Friend and Wife. Can't believe we all have to go on without seeing your beautiful smile, warm heart, hearing you laugh and so many other amazing qualities you had. We have all been so very shocked by your sudden death, and all of us are asking "Why?". God is in control, so we just have to believe what you and I always told each other. "Everything happens for a reason", (eventhough it's hard to understand right now). I just have to believe you are in a much better place than the rest of us, and that you are happier than you have ever been. Sis, I love you so very much and can hardly wait til we see each other again. Carrie*

“ I hope you find comfort in this poem I found on the Internet.
Earth has no sorrow that heaven cannot heal. There is only love
and strength in family.
"Death leaves a heartache no one can heal, love leaves a memory
no one can steal."
It's not the years in your life that counts. It's the life in your years.
There's is only one happiness in life-to love and to be loved.
"Heaven is a place nearby." Where the is love there is life. No three
words greater power than I love you. To live in hearts we leave
behind is not to die. Let the memories survive. " Those we love don't
go away, they live in our hearts everyday." The soul is eternal-love
is immortal. Like a rainbow gone too soon, but never forgotten. With
my sincere condolence at this sad time.

“ If I was to write a memory, where would I begin? There are just so many one of my favorites was skipping kindergarden to watch some street workers. Or how about teeter tottering and you fell off and broke your arm on Allen? I looked for you over the years I would find you and as fast as I found you I would lose you again but that was ok because I knew that you was still here under the same moon as me and I would find you
