“ *Chris and Lori,
I just wanted to share this message I received from Mary C., one of the nurses who used to work at LCC. "I will be with you all in thought an prayer as you celebrate Jan's life. Jan's love and caring for any & every animal, bird, was end to none. She had a Special Touch for each and everyone & talked to them in such a special way. I just knew they understood. There was always something very special about our LCC family. Once upon a time, Forever in my heat!"*

“ To know you was an honor, an inspiration, and a true blessing in my life. You were an amazing individual many were never given the opportunity to truly understand. You lived your life with fortitude. I don't think I will ever meet another individual who could maintain perfect attendance at a job for over 6 years under the same circumstances in which you endured. When you gave yourself to a cause or mission it wasn't 110% it was 220%. You would go without that others may have. The sacrifices you made without a second thought will always amaze me. I am so thankful that God granted me the opportunity to be a part of your life. I will cherish the memories and hold you close to my heart always. I miss you already but know you are in a much better place and look forward to the day when I can hear your laughter and hug you once again! I love you girlfriend - embrace your freedom!
