“ *Jeanne Dodson was a wonderful and caring person and friend to many all her life. Especially a friend to several friends in San Mateo County for fun get togethers and birthday dinners and just all around fun. She always had a good disposition and a sense of humor in spite of her many medical problems. Ms. Dodson worked hard all her life. She always made an effort to help her friends and family. She was a dear friend. I wasn't able to find out what had happened to her until the last few days.*

May she rest in peace.
