

Jessica Joy Mast

May 22, 2016 - December 20, 2020

Jessica Joy Mast, age 4 years and 7 months, went to be with our Lord Sunday, December 20, 2020. Jessica was born in Lincoln, Missouri on May 22, 2016, to her loving parents, James and Mary Mast.

In addition to her parents, she is survived by her brothers, Nathaniel Mast and Justin Mast; paternal grandparents, Ervin and Lorene Mast; maternal grandparents, George and Marian Leid; uncles, aunts and cousins.

She was preceded in death by her brother, Nathan Mast.

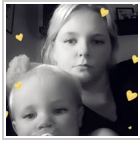

Jessica was a sweet and beautiful child who loved to sing Jesus Loves Me and recite Psalm 23. She enjoyed storytime and reading to her brothers. Jessica was known for her friendly and outgoing personality. Her aspiration was to be like her mother.

Jessica will be greatly missed, but we look forward to being reunited in heaven.

A private family service will be held and they ask that their privacy be respected at this time. They wish to thank the community for your support and prayers during this difficult time.

Arrangements are under the direction and care of the Kidwell-Garber Funeral Home of Versailles.

“ *Sweet Beautiful Jessica, I am heartbroken that such vile evil monsters were allowed into your life. You deserved love, hope, kindness, and a future filled with everything warm and happy. You deserved to grow up. I am crying for you right now but tears are not enough. Outrage is not enough. Even justice is not enough. Heaven has better and kinder people than the ones you encounter on earth. I hope all these creatures burn for what they did to you and what they allowed to be done to you. The only demons in this story are the ones who did this to you.*

“ *I didn't know you in life. But your death has impacted my life and thoughts in so many ways. Since I first heard of your story I often think of the hows and whys see you on the other side fly high angel!*

“ My heart is broken thinking about how this sweet and innocent child was tortured before she left this earth. I will never understand how human beings can be so cruel and sadistic. As a mother of 5 and grandmother of 10 I know for a fact that I would die before I'd let anyone hurt my babies. I know that this little angel is with the Lord and is protected and happy but I still pray for her little brothers who have also suffered at the hand of those who abused sweet Jessica.

“ I never got blessed enough to meet Jessica. I would have treasured her and her siblings. I'm disgusted that whoever wrote in about her 'loving parents' and how that precious child wanted to be like her mother. Shame on you for covering up for these monsters.

Whoever decided to put this child's murderer's in her obituary is terribly wrong. You are abusing her all over again. Remove this- immediately.

Kay Michelle True - December 31, 2020 at 09:24 PM

I bet it is private. Why? So you can all tell each other why none of you knew, or suspected, or did anything. Dysfunctional people. You will all remember what you didn't do on your death beds.

Kay Michelle True - December 31, 2020 at 09:29 PM

I think the fact that they say she wanted to be like her mother shows even more what a sweet child she was, and what a terrible injustice and tragedy this was. I think that should be left. Her mother will remember that for the rest of her life.

Even though I never knew you, I am so sorry that I was not able to protect you and that no one that did know you did. You must have felt so alone. I hope you are wrapping in the loving arms of God and have no memories of your life here on Earth. Rest in Peace Little Child.
