“ *May your memories of the wonderful times you shared with your loved one comfort you and your family, today and always.*

“ *Grandma was so much fun. She would let me walk on her cabinets as a child so that I could see the birds, and the other mean animals out her kitchen windows. We enjoyed making cookies, watching her can and she would let me help out when it was safe. She made everything fun. I love you my sweet Grandma. You will never be forgotten. I hold many thoughts of you.*
