“ I met Jodi during the Summer of '98. Beth and I moved to the Lake after our H.S. Graduation to try something different. So we got jobs at the Lodge of Four Seasons. It was there when I first met Jodie. Jodie and I worked together there at the restaurant. Jodie was always so helpful to me. She made me feel welcome and at home. She always had a smile and was so chipper. I am so glad I had the opportunity to meet her. Who knew that her son, Charles, would marry my best friend. It was nice to know how she was doing after that summer. Rest in Peace my friend, Kristy Eckerson

I remember you Kristy, I started working with Jodie in '93. I worked with her for several years after that and we became best friends. I will never forget how much fun we had working together and what a hard worker she was and how much she loved her family! When she retired I lost my best coworker but I was glad she was able to retire, she always was very smart about money! I will never forget her and she will be sorely missed by all, I just wish I had gone to see her one more time---my comfort is knowing that God enclosed her in a huge embrace when she passed to heaven because she was such a very special person and I know she will be watching us all to make sure we behave! Until we meet again my friend-----Dallas Erb
