“ Found out about your loss on Sunday in church, I was working the day of services, but know the time you had with your Dad was precious and memories are the best thing we have left. Ted Hoover and Joe were great buddies and I appreciated Joe's help when I was redecorating my home and he helped Ted with the tile ceiling. He really was a master craftsman. I'll let my kids know about this and my best wishes for all of you and your children. Losing a young grandpa is also hard on the little ones, but again the memories will always be there.

But please know that we are praying for you all and thinking of you. If there is anything we can do please let us know. We love you all. J.D. and Becky
