“ *Uncle John, I've got alot of memories and I have loved you since I became a member of this family 48 years ago. You were my instant uncle. One of my favorite memories is when we all lived in Texas and we went to the beach. While we were there the tide came in and we all had to push your car out of the rising water. We had a blast, and alot of laughter. I love you and you will forever be in my heart. ❤️*

*Love Karen Newcome*
