“ *Johnny was a good friend, he was a loving kind hearted man who was always willing to help others . In his last months of life he often spoke of how excited he was to go be with his lord and savior , and how he couldn't wait to see his momma and daddy and other family members who would be waiting with open arms for their loved one. I will miss you a great deal my friend , but am comforted to know that I will see you again one day. Fly high with the Angels Bubba....🙏*
