“ To Joyce's family. Our East School reunion is coming up and we were so excited to see our "shortcake" and she was excited about bringing her family. I pray for your family for peace and comfort. She is so missed by many and she was part of our family. May she be in the comfort of her mom's arms and The Lord's. Taken too soon. We weren't ready to let go.

Sincerely,
Aimee Smith

“ *I will always remember the fun and the laughter the LOTO eagle sister and brothers shared over the years. The joy of getting together, and making even more memories. Some say the internet does not bring friendships together. We will always be true friends and one day we will join up and have a grand reunion in heaven watching the eagles fly. Till then, hugs from your friend, Dec! Debbie Coffman <3*

My prayers go out to her family and friends. I just remember a very vibrant young girl, always with a smile. Wish I had known of her passing as I too would have loved in sharing memories of the good times we all had on the "point" at her Grandparent lake home. Truly wonderful. “ *My dearest Joyce. I was so sad to hear you had passed away. You had JUST come up to visit my new store for the first time! I am so happy for that last moment we had together.*

We first met working at Bob Evans. We worked our BUTTS off together, and would write each other little notes like teenagers. She worked as a chef / server, and I was also a server. Sometimes I would write her a cute little note and put it in the order slot like someone had just placed an order. She'd take it, hang it up on her grill, and then realize what it was. She'd give me the sweetest little laugh when I'd pull a fast one on her like that.

The BEST story I have of working with Joyce -- I was in high school. I came in after tennis practice to say "hi!" and walked in to a slammed restaurant. I mean, every seat was taken AND there was a waiting list. Two other servers had called in and it was ONLY Joyce and Wayne working the register, cooking, AND serving people. I walked in, in this little tennis skirt, and Wayne threw me an apron. I may have looked like a Playboy bunny that day, but we busted our butts and got it done! I have NEVER ran faster in my life!

Joyce, I am SO happy that you came in just a few weeks ago to visit. You couldn't stop gushing about the store. You bought some clothes and didn't want to try them on - and said if they didn't fit, you'd donate them. You said that's how you reasoned with it -- if they don't fit, you could bless someone else with them. Of course, I sent her a note home in her bag.

I am so, so sad this is the last note I will ever write to you. You were beautiful, wonderful, and will be sorely, sorely missed. I love you!

PS

So very sad that we have lost Joyce ! She was a ray of sunshine and a bundle of energy. She loved her family and her friends deeply. I am so happy I met her and will never forget her smile, laughter, and friendship. May she rest in peace in the arms of her mamma and the Lord ! My deepest sympathies to Tyler and Kenny and to the rest of her family. We have all lost a great friend but have gained a beautiful angel to watch over us.
