“ To the entire family: I am so very sorry for your tremendous loss. I know what she meant to each and every one of you. Judy could light up a room with her smile, she cooked some of the greatest meals I have ever eaten, she always looked pretty and if she believed in something she worked effortlessly for it, if she thought you were wrong she was not afraid to tell you. She was kind and loving and this all seems so unfair. Judy taught me how to cook many basic things when I was just a kid but my favorite was her taco salad with kidney beans, Doritos and Otts dressing and I make it the same way still today. The last time I say Judy was at Jane's funeral and even though I had not seen her for the better part of 20 years she gave me the biggest sweetest hug. I will always remember the love she had for her children, grandchildren and Gary she treasures her family. Please know that I am so sorry for the hurt that you all just feel. You all have been in my prayers and will continue to be in the days to come. God got a good one with Judy!  
All my love Kim
