“ Eva and family, my deepest sympathy for you, after losing a great mom, grandmother, sister and aunt. Aunt Judy was always smiling about something, and I know how much she loved her "kids." The last time I visited her at the hospital, she asked me to "break her out!" She said she wanted to go home, but "they " wouldn't let her or take her. We had a great visit, and before I left, she hugged me and told me she loved me. That's just the kind of person she was. Randy and I will miss her, and we're here for you, if you need us. Love you guys 🥺
