“ Heaven gained another angel today, a very loving and caring woman my grandmother June. A woman that no matter what you did, was always there for you, a woman with a heart of gold and an attitude of angel. I've had some very memorable moments with my grandmother, and I think all the family has too. It's a very sad thing for the world to lose a woman like June, but at the same time I am glade for her to be in a better place and to now be with her husband. The family lost something today, but heaven, gained even something greater.  
Love and miss you grandmal, you will ways be in our hearts and memories, I couldn't of asked for a better person to be in my life.
