“ Karen taught me so much about serving the public and library science, her patience in training me will always be remembered with grace and humor!

Coming to the Morgan Co. library blessed my life in so many ways, Karen was a large part of those blessings and wonderful memories. Blessings dear families. Know your mother- grandmother was dearly admired and loved by so many.

Her humor, artisrty , gracious spirit, love of reading blessed so many. I am only but one.

Truly my heart breaks knowing of her passing.
