“ My mom was my best friend, role model, and partner in getting lost. I still can't believe she is gone. Taken from us way to soon. I love you so much!

“ I will miss you Kathy. I was so proud to be your friend. I remember when you took me to the dentist to get my teeth pulled. When they were done I was so out of it. Trying to get in your car in the back seat it was so funny I couldn't stop laughing. I didn't remember much. I will be there for your family as promised. Love you ❤️
