“ Family and friends lost a wonderful person. Kathy's gift to make your day brighter was second to none. I got to know Kathy at the hardware store where she always made you feel special and would always go the extra mile to help meet your hardware needs.

Don, my condolences and take care.

“ *Kathy and I became very good friends when Debbie and I moved here full time a few years ago. We always exchanged our homemade food creations. Baking and breaking bread with her was always a treat. Her tomato pie and eggplant parmesan were wonderful! We will make them in the future and take pride in telling others about the lovely lady who taught us the recipes. There is a dark cloud and feeling of loneliness in our little neighborhood cove area now that she is gone. Don, we are right down the hill to help you with anything, anytime. Jim and Deb Griffith*

I knew Kathleen from the vet's office where I work. She was a wonderful lady and was such an animal lover. She loved her dog Kahlua, she was Kathleen's baby. We all at the vet's office will miss her and that wonderful sense of humor and smile she always came in with.
