“ We have lost many wonderful friends and family and it's truly a sad time for us. I wanted to express some words of comfort for the Family. Jesus said at John chapter 11 verses 11 to 14," that Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep..." so we can take comfort in knowing that our loved ones are sleeping in death and not hurting anymore. As we pray the Lord's Prayer that Christ taught us, we and Keith can look forward to the wonderful blessings God's Kingdom will bring. “ I knew Keith throughout the 20 years he worked with School Speciality. He was pleasant to visit with, in addition to really knowing his company and their products. He once came to the school after his retirement and shared vacation trip pictures and stories, revealing he was really enjoying his retirement and his life. It's been years since I have seen him, but I have only wonderful memories of him. He'd flash that smile and say, Hello Sunshine. I'm sure he is still enjoying himself, now in Heaven. Colleen, he adored you. You shared a wonderful, blessed life together. May you find comfort in memories that help you through the hard times.
