“ *Kelli was a joy to know, having the most delightful personality and sense of humor. Kelli loved her family and friends very much, and there was nothing she would not do for anyone if she thought she could help them out in any way. I only had the priviledge of knowing Kelli for the past 2 1/2 years, but it has been a wonderful experience. I wish to express my deepest condolences for her family, Jim and Sharon were the only ones I had the pleasure of meeting before now. And it has been an honor to know you both too. I wish you both the best, always.*

*Sincerely, Tammy Scott*
