“ It was obvious that Kenny loved Molly, all the children, family, family life, helping and giving!!! My best memory is seeing Kenny and Molly struggling up our front stairs with a darnn big gift they had brought for us!!! It made us chuckle so much. They looked so perfect together and happy because they were bringing an outside heater they knew would go great in our garden!!! If you know this couple, you can imagine it!!! I just said "What the heck are these two up to now" LOL. RIP dear Kenny. You are missed xoxoxo
