

Kim Buck

September 1, 1966 - September 2, 2021

Kim Buck, 55, was born to Gary and Patricia Braun on September 1st, 1966. She was called home to heaven on September 2nd, 2021. She was a loving mother, precious daughter, sister, aunt, teacher, and most importantly, child of the King. Kim loved the simple things in life-- gardening, cooking, spending time with her family, traveling, reading, but most importantly being a mother to her two daughters Lacey and Lexi.

She was a teacher for 25 years, and touched many lives during that time. She loved working with students and encouraging them to achieve their greatest desires. Her passion was helping all students be the best they can be, and she always believed in them.

Kim had a heart of gold, always aiming to see the best in others and never focusing on the negative. She had a fun spirit and never took anything too serious, enjoying everything she did. She was a member of the First Baptist Church in Versailles, where she ran the projector on Sunday mornings and was very involved, especially in VBS. She loved serving the Lord and making His name known.

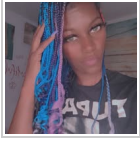

She is survived by her daughters Lacey and Lexi Buck, parents Gary and Patricia Braun, brother Jeremiah, wife Tina, and son Cody, brother Kent Braun, wife Renee and sons Buster, Kent, wife DezerRey and son Troy, and

Ethan, wife Felicia and daughter Rosaleen, along with many others.

A private burial and ceremony will be held with family. All contributions are suggested to her daughters Lacey and Lexi Buck.

Arrangements are under the direction and care of the Kidwell-Garber Funeral Home of Versailles.

“ Our family met Kim when Lacey was in my 3rd-grade class. Our families became friends and spent time in playdates for the older and younger girls. She spoke so fondly of her time in China adopting her beautiful daughters. We shared our adoption story with her and she was always supportive. When our daughter became sick and needed to home school, she was also choosing a home school path for her daughter, Lexi. With two other families, we formed a home school group with the purpose of teaching our kiddos more than just school work. Kim was always the leader in this group with amazing ideas for plays, field trips, projects, contests to enter, seasonal parties, and just recently finished leading the teens of our group in creating a school yearbook. What a gift she gave all of us in this memory book! Kim and her girls and my two kiddos and I took a trip to Minnesota and Wisconsin where we saw the birthplace of Laura Ingalls Wilder. The girls were reading the Little House on the Prairie series. This was such a wonderful trip.

Kim has been a fast friend all these years. She has been a strong encourager to think positive, look for solutions to a challenge, and to work out your faith walk with Bible reading, prayer, esp. for others, and putting your faith into action by helping others. One of my favorite memories of Kim was when my husband played the Charlie Brown song and she taught us how to do The Charlie Brown Dance. We will mourn deeply for our friend, Kim, especially our teens of whom she was a 2nd mom. But we will also rejoice, knowing she is in Heaven, worshipping her Savior and probably doing the Charlie Brown dance. Our prayers go out to her family as they place her into God's care until they meet again.

“ Kim and I enjoyed many adventures together. One of my fondest memories is our road trip to Kentucky when the kids were little. You have always had such an adventurous spirit and I have never known a time when you let something hold you back. The girls could not have asked for a more loving mother and better teacher always thinking about their futures and encouraging them to be their best. I love you friend and will miss your presence on this.

“ Thank you Kim for being a wonderful friend for so many years. Loved teaching in classrooms next to you, watching your beautiful girls grow up, discussing gardening, teaching ideas, family, raising children, planning retirement, etc. I can hear your giggles as I shared hair raising Meyer boys stories as you showed me pictures of your beautifully behaved daughters. The many lunches in our rooms, saving seats for each other at staff meetings, helping each other with new technology.....the list is endless. You are now an Angle at God's side smiling down on us. Thank you for blessing my life with your friendship all these years.....until we see each other again. Love you....
