

Lana Jai (Hutchison) Andersen

December 21, 1966 - July 19, 2019

Lana Jai (Hutchison) Andersen, age 52, passed away Friday, July 19, 2019, at her home in Versailles, Missouri, where she was a life-long resident. She was born December 21, 1966, at Bothwell Hospital in Sedalia, Missouri to Jack and Kathryn (Scott) Hutchison. She weighed 11.5 pounds and was very proud of her healthy start, even holding the record for largest baby girl for a period of time.

Lana attended Morgan County R-2 Schools in Versailles where she was very active in volleyball, basketball and track. She was on the drill team and was voted FFA and prom queens. She married her high school sweetheart, Christopher “Chris” Scott Andersen on May 21, 1989. Their thirty year fun-filled marriage came to an end with Chris right by her side, providing her with unconditional love, support and care until the very end.

Lana attended Columbia College in Columbia, Missouri and studied fashion design. After college, Lana became a licensed cosmetologist and esthetician. She also served as an instructor for the Missouri State Board of Cosmetology. Eventually, she opened her own beauty salon, Lana’s Hair Care Plus.

Lana’s favorite job title became “Mother” when she stayed home for seven years raising her son and light of her life, Dodge Scott Andersen. Once Dodge started school, Lana worked as a paraprofessional at the Versailles schools,

where she enjoyed every child with whom she came in contact.

Following in her father's footsteps, Lana became a Realtor which she excelled in and truly loved. She received numerous awards, beginning with Rookie of the Year and going all the way up to Lake of the Ozarks Top Producer and Century 21's Centurion Producer. Lana also served on the Board of Directors for the Lake of the Ozarks Board of Realtors.

Lana's favorite pastimes included enjoying life, TALKING and making friends. She had the gift of spontaneity and always made others feel special, no matter their age. Lana would often be cooking or ordering from QVC at three o'clock in the morning. She was always an animal lover and she treated her pets like family.

In addition to her husband Chris, she is survived by son and daughter-in-law, Dodge and Tara Andersen of Versailles; mother, Kathryn Hutchison of Versailles; brother and wife, Dick and LaVena Hutchison of Sedalia and sister, Judy Jo Hutchison of Versailles. Lana has three nephews, Seth, Cole and Chance and four nieces, Amy, Shauna, Ashley and Lacey. She has five great-nephews, Dylan, Dalton, Rennick, Younger and Griffin and three great-nieces, Addison, Scarlett and Marlow Jai.

She was preceded in death by her father, Col. Jack Hutchison, grandparents, Richard and Millie (Reichel) Hutchison and Ed and Thelma (Chamberlain) Scott and several family pets, most recently Elly May "Sissy" Andersen.

Lana forged fifty-two years of laughter, generosity, compassion and kindness. She will be greatly missed by her family, friends and community. Here is hoping she doesn't sell off heaven before we all get there. Many of you will understand this and if you don't, ask the person next to you. The next time you see a full moon, please think of Lana.

Having the opportunity to visit with Lana in depth before her passing, she asked that we, the family, make sure to thank all who served in the military. But more importantly, she wanted to say thank you for being a part of her amazing, crazy, fun-filled life.

Funeral services will be held at 4:00 p.m., Saturday, July 27th, at the New Life Assembly of God Church, 22139 Highway 52, Barnett, Missouri 65011. Graveside services and interment will follow in the Versailles Cemetery. The family will receive friends from 10:00 a.m. to 4:00 p.m., Saturday, at the church. Memorial contributions are suggested to St. Jude Children's Research Hospital.

Arrangements are under the direction and care of the Kidwell-Garber Funeral Home of Versailles.

What do you say about someone who has been a friend for over 30 years and a business associate? I will try to only remember the good and funny things. You never knew what she was going to do or say, but that was Lana. She started out as my hair dresser and later came to work for (no with me) at Century 21. We had alot of good discussions about anything and everything. I will miss her crazy antics, and bright smile. She always tried to find the good in a situation, even when there was not much there to be found. The office is kind of quiet without her yelling for me from the other room. We had fun both in the office and outside. Fish fries, Halloween parties, Christmas parties and just day to day activities, I will miss it all. We that worked with you day to day saw all you went thru and how you faced it with a positive attitude. It was heart breaking, but you smiled and said "I will figure it out" This is a terrible waste of a kind and talented person, but she always said things happen for a reason. I don't know for sure, but it may have taught us all to cherish those who we care for and to be kind even when it is difficult. Land did those things, so she will now be our angel, guiding us to be more like her. I loved her like a sister and treated her like one of my kids and will miss her every day. Hope she is smiling down on all of us right now.

“ Lana, I just wanted to say you have been a great friend. When I think of you I will smile because there have been so many fun times. I also want to thank you for supporting my plan to bring a new pharmacy to Versailles. When I was filling out all those insurance contracts that were 200 plus pages you helped me get them faxed from your office many of them we would have to break down into fourths they were so large, but you never even complained you just help me get it done. Thank you very much. When we did get opened you were there to support that as well, for that I thank you very much. Your entire family Chris, Dodge, Tara, Judy Jo, your Mom and so many of our friends. Thank you very much. You have left a great legacy with Dodge and Tara, you should be very proud, these are two great people. You and Chris have set a great example. I am fortunate to have Tara work at the pharmacy what a pleasure to have her at the pharmacy. You always were funny and quick to make a joke. I can hear you now "Stepp, here's my deal". You were also the best speller I ever knew (just kidding), but I sure had some laughs with that. The good Lord must have needed a real estate agent to move some houses. Just remember to save a few spots. Say hi to Mom and Zeke for me. When I think of you I will certainly have nothing but proud happy thoughts. See you soon.

“ Lana gave all she had to do good to all those around her. Toni and I are so thankful that God had a plan for her to be in our lives. She went way beyond what a realtor would do for most people. We started with a simple call on a house. She brought us a home and a friendship that we will cherish forever. Spending time sitting next to her over the last month was such a mentoring moments to me. She taught me to love, trust and accept what you cannot change. Lana I never forget your smile, strength and your kind words.

Lana was a very supportive Sports Mom not just to Dodge but to every young man on that team. If a sandwich needed to be made or a meal before or after the game, Lana was there to serve it to the team. She worked her magic behind the scenes for the boys and their families. This also carried over into her position with MCR2 and all the children who loved her as Miss Lana! Positive interactions with the children made their day and hers too. Lana impacted many lives and she will be greatly missed.

“ *My fondest memories of Lana is that she had a heart of gold and treated everyone the same, never can I remember her having a cross word for any one. All I can say is that I am one of the blessed to have had Lana apart of my life for the past 52 years. We grew up together and she always had a smile on her face.*

I will always remember the day her and Chris got married and crying tears of happiness for them, they showed me what true Love was. Watching their Love grow in high school to the day she gained her wings has been a blessing.

Rest in heaven my Dearest Friend, I know that come December 21st you and my Dad will get to celebrate your Birthday in Heaven with all the Angels. I will miss you and will always Love You. Not good by but until we see each other again.

“ *I will miss Lana jai very all through school and after no matter where I was at if she seen me she would always come say hi. She is a beautiful person inside and out. She gets her kindness from her dad Jack I met him when I was young at an auction. That is one of many memories I had of Lana. I will love and miss her a lot. 🌹🌹* ”
